FOUNDATIONS TOOL CHECK OUT

Northglenn High School Art Department will provide you with your own set of tools to use for the semester in your art class. You will be responsible for taking care of these tools. If at the end of the semester any tools are broken or lost, you will need to pay the cost of replacing them.

You will have a toolbox in which to keep your tools, but you will need to furnish your own lock. If you do not have a lock, keep the box in your school locker and bring it to class daily. Small padlocks may be purchased from the Art Department for \$3.00.
